Complexes

Cluster of Excellence
Frankfurt

CEF Seminars

Thursday, 22 January 2009 17.00

Walter Schubert, University of Magdeburg

Human toponome project

Host: Ritva Tikkanen

Thursday, 19 February 2009 17.00

Andreas Marx, University of Constance

Chemical biology of DNA replication

Host: Alexander Heckel

Thursday, 19 March 2009 14.00

Carol Robinson, University of Cambridge

From micelles to masses

Host: Thomas Meier

Venue:

MPI of Biophysics, Lecture hall 0.10, Max-von-Laue-Str. 3

Guests are welcome

Snacks and drinks will be provided
